

F.I.N.D.

3rd Project meeting – Malta, May 2017.

The third FIND project meeting was in at Gozo College Secondary School from 22nd till 24th May 2017. All 6 partners were represented by the coordinators and other teachers.

During the meetings the coordinators discussed the first year project activities, with the following agenda:

1. Review of robotics work carried out since learning activity in Greece.
2. Coding art galleries
3. Development of online educational games
4. Engagement of female students in project activities and attitudes to STEAM subjects
5. Evaluation
6. Dissemination
7. Activity A12
8. Arrangements for Norway (focus on training on new staff)
9. Interim report preparation

While the coordinators discussed the above agenda, the other teachers had the opportunity to visit some classes at the school, and also had some cultural visits. All partners had the opportunity to meet and talk informally both with the head of school, Dr Francis Abela and the College Principal, Dr Denise Mifsud.

The meetings ended with a Maltese style BBQ at Marsalforn bay, where all partners/guests had the opportunity to familiarise more together.
